

# Project Design Phase-II

## Customer Journey

Date	26/10/2022
Team ID	PNT2022TMID18520
Project Name	Project-Traffic And Capacity Analysis For Major Ports
Maximum Marks	4 Marks

Phase of Journey  Describing experience in each steps	Discovery  Why do they start the journey?	Login  How the user enter to use?	Onboarding and First Use  How can they feel successful?
 <b>Actions</b> What does the customer do? And What they look for?	<div>View the Traffic and Capacity analytics on ports</div> <div>Search the database across the ports</div>	<div>Start Free Trial</div> <div>Connect their private account</div>	<div>Explore the dashboard options</div> <div>Track the status of the ports</div> <div>Use filters to customize the view of ports</div>
 <b>Interactions</b> What interactions do they have at each step along the way? <ul style="list-style-type: none"> <li>People: Who do they see or talk to?</li> <li>Places: Where are they?</li> <li>Things: What digital touchpoints or physical objects would they use?</li> </ul>	<div>Company Portal</div> <div>Public Sector Website</div> <div>Freight Monitoring</div>	<div>Login or Sign up</div> <div>Verification through email</div>	<div>Dashboard</div> <div>Visualize Port Status</div> <div>View Information of Particular Train in Port</div>
 <b>Goals &amp; motivations</b> At each step, what is a person's primary goal or motivation? ("Help me..." or "Help me avoid...")	<div>To view Rail Traffic Status at each Port</div> <div>To get properly predicted Congestion</div>	<div>I use special options to work</div> <div>I don't give personal datas</div>	<div>Transportation of Rails across ports can be handled smoothly</div> <div>Traffic can be predicted and avoided in future</div> <div>Status of rails at each ports were tracked</div>
 <b>Customer Feeling</b> What is the customer feeling?			
 <b>Areas of opportunity</b> How might we make each step better? What ideas do we have? What have others suggested?	<div>Additional Service Suggested</div> <div>Suuply Chain can be Improved</div>	<div>Review the History</div>	<div>Communicate with other Users</div> <div>Providing Container Tracker tool</div>
