

# Jira Software

Date	19 November 2022
Team ID	PNT2022TMID18520
Project Name	Project - Traffic and Capacity Analytics in Major ports

## RoadMap

## BackLog

The screenshot shows the Jira Backlog interface. The left sidebar is the same as the Roadmap view. The main area has a header with a search bar and filters. Below is a section for the 'Board' (0 issues) with a '+ Create issue' button. The 'Backlog' section (4 issues) lists four sprints: TCAFMP-5 Sprint1, TCAFMP-6 Sprint2, TCAFMP-7 Sprint3, and TCAFMP-8 Sprint4, each with a 'TO DO' status and a priority icon. A fifth item, 'What needs to be done?', is at the bottom. A 'Quickstart' button is in the bottom right.
